Dear Mr. Bonelli:

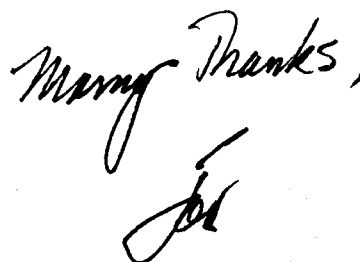

Thanks so much for your help in filming the Citizens Energy Oil Heat Program outreach commercial at the home of Italo Sraglia. You were very kind to make one of your trucks and drivers available at our location in Queens.

Your efforts will help us reach thousands of families in need of heating assistance this winter, including many of the households you serve. We very much appreciate your participation in the program, which depends on dealers like you to make it work.

With your support we are working to make sure that no one is left out in the cold. Thanks again for your help

Sincerely,

Joseph P. Kennedy

Many Thanks,
Joe
